A Word from Rick

Dean Trune from Impact Ministries – a prayer-based campus ministry will speak in our Sunday, June 7th worship service on “The Church’s Greatest Need – Prayer.” Then on Saturday, June 13th at 10:30am in room 30 Dean will offer a workshop entitled “Developing Our Spiritual Root System.” This workshop is for the entire Church which fits into our Discipleship process of *Becoming Transforming* and *Proclaiming*. You can sign up on Sunday at the Info Center or by calling the Church Office at 272-5256.

Sunday, June 14th we will begin a new series that I’m calling, “What Every Christian Needs To Grow.” It will be a three week series. We’re going to look at three basic needs that every Christian needs in their life in order to grow. “Transforming” God wants every believer to grow.

Sunday, June 14th How to Get More From Your Bible - The way you grow, first of all, is by having food. The Bible is our spiritual food.

Sunday June 21st How to Make Contact With God - I want you to throw out every idea you’ve had about prayer. Just put it on the shelf and let’s go to the Master, the Authority, and see what He has to say about making contact with Him.

Sunday June 28th All in the Family - If you’re a Christian you’re a part of God’s family. We belong to each other. Christianity is a life and so it is to be shared. We need each other.

In July we will start a series entitled **Five Words That Will Change Your Life**. Looking at these five words:

- Sunday July 12th **Loved**
- Sunday July 19th **Accepted**
- Sunday July 26th **Freed**
- Sunday August 2nd **Transformed**
- Sunday August 9th **Empowered**

Make every effort to be here and invite your friends “Proclaiming”

A Note from Tommy

I appreciate so many of you at Southeast Christian Church who are so generous and giving of your time to the areas of Worship and to Prayer and to Teaching! The energy it takes to give, on top of your regular jobs and to families, is appreciated. It takes committed people to give of your time to Thursday rehearsals and Sunday worship services! Thank you! It takes people of prayer that take the extra time to meet together, then think and create elements that go into a prayer event, then set up and take down each time. Thank you! It takes people who love to prepare and teach the Word of God to all of us. People who see the importance of intentionally setting forth the sacred Scriptures before God’s people for edifying, rebuking and training. Thank you!

I’m looking forward to our next prayer effort in June - praying

for the children of the world! I’m looking forward to “The Burn,” a monthly 24/7 prayer/worship event that takes place around the city on the 3rd Friday/Saturday of each month! I’m looking forward to Dean Trune being in town to teach us important principles found in the Bible! I’m looking forward to honoring our fathers at our worship service on the 21st - Father’s Day!

If you’re interested in helping in the areas of prayer or worship, please don’t hesitate to contact the church office and learn of the opportunities to serve the body of Christ and the city of Salt Lake City.

A Father is someone you look up to, no matter how tall you get!

Happy Father’s Day!

Gift of a Father

One of the greatest gifts a father can give is his time...

Time with God the Father...in individual fellowship, prayer and communion.

Time with family...lending support, interacting, and being a positive influence.

Time in service...serving God and others in order to further God’s kingdom.

Time at work...doing his job as if he is working for the Lord.

Time of rest...restoring the vessel of his body that the Lord has given.

Time...a father’s treasure.

Kids Under Construction

Imagine...
...a child hearing about God’s love for the first time.
...kids worshipping in powerful ways.
...children praying for each other.
...adults and teens modeling Jesus’ love to children.
...the kids in our church sharing gifts of love with children who are hurting.
...children serving each other.

This summer, let’s transform our church into a misty bayou. Be a part of the Vacation Bible School at Southeast Christian Church during July 12th, 16th. It’s our goal to reach 120 kids with this program! That’s 120 kids who will grow in their relationship with God.

We’re praying this awesome VBS program will touch children’s hearts and lives with God’s love. Help kids in our community discover that:

- God is with us
- God is powerful
- God does what he says he’ll do
- God gives us life
- God cares for us

As we plan and prepare for Crocodile Dock, our team would cherish your prayers. Pray that God would give us wisdom in planning. Pray for the right staff members to join our team. And pray that God would begin working in the hearts of the children who will
